

HO Kansas City Post-War All-Electric PCC Streetcars

Our model features: injection molded plastic body, window glass, operating roof poles, operating headlight. Analog cars are DCC Ready with 21 pin plug, accurate painting and decorating, can motor drive with flywheel. Sound trolleys equipped with LOK Sound Decoders (DCC and Sound).

We do not recommend LOK Sound for use on DC (analog) layouts.

MSRP: Dummy \$59.95. DC Powered \$159.95. DCC & Sound \$259.95.
